Day 1 | In The Beginning...

“In the beginning God created the heavens and the earth...” is one of the most powerful phrases in the Bible. God is the beginning and end, he is the Creator, and he spoke the world into existence.

ENGAGE:

Read Genesis 1:1-2 and reflect on the fact that God is the Creator of everything.

What most stands out to you in these verses?

Day 2 | You Are Created In His Image

God is the maker of the tallest mountain and largest star, but he then made human beings in his image and said we are “very good.” God values you because you are the pinnacle of his creation and reflect his own image. You possess infinite value in his eyes.

ENGAGE:

Even in sin, God loves you and values who you are. Take some time to search your own heart in prayer, asking God to help you see your worth and where you might misplace your value.

Day 3 | God Is A God Of Grace

Jesus engaged the outcasts during his days on earth. Time after time, he showed love and extended grace to them. God is full of grace and understanding. He does not think we are repulsive—in fact, he wants to have a relationship with us.

ENGAGE:

What are some ways you have let the culture or other people determine your significance, rather than letting Jesus determine your significance?

The next time you feel invaluable or insignificant, pray that Jesus reveals his love and grace to you.
